

ELEMENTARY EDUCATION DEGREE REQUIREMENTS

If you are interested in teaching elementary age students, you will enroll in Valparaiso University's B.S. in Elementary Education degree program.

Requirements for this degree include both general education and education department courses, all of which are designed to prepare you to ensure the learning success of all your future students. Please consult the [Valparaiso University Undergraduate Catalog](#) for the general education requirements for your degree.

Use Departmental Planning Sheets to map out your route to becoming a teacher:
