

## MASTER OF BUSINESS ADMINISTRATION & DUAL JD (LAW)/MASTER OF BUSINESS ADMINISTRATION

The Valpo MBA at a glance

The Graduate Programs in Management at Valparaiso University were designed for you. Our values-based leadership focus combines the traditional competencies managers need with the cutting edge skills imperative for successful leadership in a dynamic, technology-driven world. And this program is offered at a University long recognized for excellence and consistently ranked as one of the top masters level Universities in the Midwest. Our shorter terms and convenient class times provide the flexibility you need to balance your work, family, and education. Accelerated students can complete our programs in 12 months, while working students can choose their pace.

The four cornerstones of the MBA program are:

- Excellence in the functional areas of business
- Values-based leadership and decision making
- Integrating technology into business practice
- Incorporating the natural environment and business sustainability into business decisions

The program includes four tracks:

1. MBA-General Track
2. MBA-Accounting Track
3. Dual JD/MBA Program
4. Dual degree MBA/MSN
