

GroupWise allows you to customize your Home View by choosing whether to display panels in one column or two columns. Examples below illustrate three panels being displayed in One Column view (left) and Two Column view (right).

One Column view

Two Column view

To select the number of columns to be displayed in the Home View:

1. Click the arrow at the upper right corner of any current panel.
2. Select either the One Column or Two Column menu item.
