Notes:
 1. Students included in this file are first-time, full-time freshmen seeking bachelor's degrees. Transfer students and non-degree-seeking students are not included.
 2. Students who transfer out of VU, even those who transfer and graduate from another university, are counted as if they had dropped.
 3. First year retention is an important metric representing the percentage of students who complete their freshman year and return for their sophomore year.
 4. Starting with the 2015 cohort, students enrolled in the Health Science program can complete the bachelor's degree in three years before enrolling in the Physician Assistant master's program.
 5. Cohort 2022 includes five VSI students
 *There is an exclusion to the original cohort
 **Retention and Graduation Rates are calculated according to the federal government definition (IPEDS).
