

**INTERNATIONAL HUMANITARIAN LAW IN
ISRAEL & PALESTINE**
**Joint Course for the Sha'Arei Mishpat Academic Center and Valparaiso University
Law School**

Instructors: Yaël Ronen & D. A. Jeremy Telman

Overview

This course will examine issues in International Humanitarian Law, with particular focus on the conflicts involving Israel and Palestine in the twentieth century. The course that will introduce students to: the history of the modern Arab/Israeli conflict; the fundamental legal documents governing international humanitarian law; and legal institutions, both domestic and international, that implement international humanitarian law in the region. Students will visit important, historical sites, meet with officials from humanitarian law organizations, and with leaders in communities at the heart of current conflicts.

Students are expected to come to class each day having read all of the assigned material and prepared to discuss it.

Class participation will be a crucial element of the success and liveliness and the course and will account for one-third of the grade. A final examination will account for the remaining two-thirds of the grade.

Required Reading Materials:

Readings are available by hyperlink and on blackboard.
