**FIRST ORDER AS TO DISPOSITION**

The government having retained the services of experts to conduct behavior evaluations of 49 pit bulldogs forfeited to the United States in an order entered on August 31, 2007, and the government having considered the findings and recommendations of the experts, and as it is the recommendation of the United States that one of the 49 dogs evaluated be humanely euthanized because the dog exhibits intense aggression to humans such that it cannot be safely managed, now deeming it proper so to do, it is hereby ORDERED pursuant to 7 U.S.C. § 2156(f) that the forfeited dog identified by the government as number 2621 shall be humanely euthanized by a veterinarian selected by the United States Department of Agriculture in such manner as the veterinarian deems appropriate.

Let the Clerk send four certified copies of this order to counsel for the United States.
