

## FINAL EXAMINATION SCHEDULE – Spring 2025

A final examination is required in all courses of 3 credits or more and must be given according to the Final Exam Schedule outlined below. Exceptions may be made for such courses as independent studies, practicum and internships, performance, studio, and activity courses. In courses of less than 3 credits or 3 credit mini-term courses, final examinations are conducted during the regularly scheduled class periods.

In order to provide students with adequate opportunity to prepare for final examinations, no tests may be given in courses of 3 credits or more within 7 calendar days prior to the end of instruction on May 2, 2025.

Final examinations are scheduled for 120 minutes. Rooms for examinations in the regularly scheduled periods are the same as the lecture rooms unless a change is arranged with the dean of the college and is announced to the class by the instructor.

**Any deviation from this policy must be approved by the dean of the college in which the course is offered.**

### SPECIAL SESSIONS

The examinations for some multi-sectioned classes will be assigned to Special Sessions by the academic deans. When determining exam times for 75-minute classes, or 150-minute classes, please use the schedule below and choose an exam time that *starts on or before* the normal class meeting time.

### PROFESSIONAL SEMESTER

The courses for the professional semester in Elementary Education and School Psychology will have their examinations as arranged by the Chairperson of the Department of Education and Social Work.

### OTHER CHANGES

Instructors must obtain approval in advance from the appropriate academic dean for any changes to the Final Exam Schedule for a course of 3 credits or more, including changing days, times, and rooms for exams. **The deadline for requesting deviations is Friday, April 25, 2025.** Instructors may, however, work out alternate exam times for individual students with legitimate conflicts.

**NOTE TO THE FACULTY ON GRADE DEADLINE: Monday, May 12, 2025 at noon is the deadline for reporting all grades.**
