David Phelps

The Incident Command (IC) Team is a cross functional, campus wide group, that has a campus-wide health and safety focus on the prevention of the COVID-19 virus spread and the protection of the Valparaiso University constituents. The IC Team will provide health and safety guidelines focused on campus operating functions and crisis response during the phases of state and federal reopening process utilizing government and quasi-government recommendation(s). For the purpose of this operation plan, campus functions will include any campus activity or event involving students, faculty, staff, guests, and facilities readiness of these locations.
